

Anglican Parish of Hunters Hill

St Mark's

Hunters Hill

Restoration Appeal

St Mark's is the oldest public building in Hunters Hill. Built in 1858 at "Figtree Hill", and moved stone by stone to its current location in 1962.

The Parish is seeking \$100,000 to restore this sacred and important local church.

The funds will be used for stonemasonry work to the sandstone walls and bell tower, and repair the guttering and drainage to ensure the longevity of the church.
